And they expect Jennifer will transmit to Clint, unless Jennifer would like it be handled inside OAR (they are fine with that, but don't want to duplicate).

Thanks for sharing this, John.

## Deliberative Process / Ex. 5

I definitely think Clint would like to see it—happy to close that loop within OAR if you'd like. Otherwise, we'll assume Jennifer will do that outreach and we'll just stay tuned. Thx

Erika,

We have a similar context and in fact refer to other principles from the May 9 memo.

Attached is the draft Charge - it was being revised until 10 minutes ago. Please provide any comments ASAP. Its going to the ORD IOAA now to share as they wish with Clint and Bill.

Next step, once I get IOAA agreement, is that I'll send it to Aaron Yeow to share the draft Charge with Tony Cox. I'd like to get this Aaron today, if possible.

We just got word that the PM ISA has been signed off, so we can move forward with the FRN to announce beginning of public comment period. Whew!

John
